## Education

- Spring 1999 **General Relativity**, *Montana State University*, NTEN.
- Fall 1999 **Demystifying Quantum Mechanics**, *Montana State University*, NTEN.
- 1989–1991 **Master of Science, Physics**, *University of North Carolina at Greensboro*.
- 1985–1989 **Bachelor of Arts, Astronomy**, *University of North Carolina at Chapel Hill*.

---

## Experience

- 1992–present **Physics and Astronomy Instructor**, *Catawba Valley Community College*, all levels of introductory physics and introductory astronomy.
- 1999–2000 **Adjunct Lecturer**, *University of North Carolina at Charlotte*, introductory astronomy lecture and lab.
  - Member **American Association of Physics Teachers**.
  - Member **North Carolina Section American Association of Physics Teachers**.
  - Member of **Catawba Valley Astronomy Club**.
  - Staff member at **Lucile Miller Observatory**.
  - Volunteer for **Catawba Science Center**, ran Konica Minolta planetarium system for public shows and conducted live sky talks and laser shows.

---

## Professional

- Fall 1999 **First in North Carolina to implement *Matter & Interactions***.
- 2000–2014 **Contributing editor to *Sky & Telescope***.
- Summer 2007 **AAPT Workshop, Greensboro, *Incorporating Critical Thinking into Introductory Astronomy***.
- Summer 2007 **AAPT Workshop, Greensboro, *VPython: 3D Programming for Ordinary Mortals***, with Bruce Sherwood and Ruth Chabay.
- Summer 2007 **AAPT Contributed Paper, Greensboro, *Learning Critical Thinking Through Astronomy***.
- Summer 2008 **AAPT Contributed Paper, Edmonton, *Let's Get Rid of Gravity!***
- Spring 2009 **NCS-AAPT Spring Meeting, *Hosted and organized, with Larry Ward and Dr. Kim Browning***.
- Summer 2009 **AAPT Workshop, Ann Arbor, *Incorporating Critical Thinking into Introductory Astronomy***.
- Summer 2010 **AAPT Workshop, Portland, *Critical Thinking in Astronomy***.
- Summer 2010 **AAPT Contributed Paper, Portland, *Homework Questions that Promote Critical Thinking***.
- Winter 2011 **AAPT Workshop, Jacksonville, *Critical Thinking in Introductory Astronomy***.
- Winter 2011 **AAPT Invited Session Presider, Jacksonville, *Astronomy at the University of Florida***.
- Summer 2011 **AAPT Workshop, Omaha, *Critical Thinking in Introductory Astronomy***.
- Winter 2012 **AAPT Invited Session Presider, Ontario, *Frontiers in Space Exploration***.
- Spring 2012 **NCS-AAPT Spring Meeting, *Hosted and organized, with Dr. Kim Browning***.
- Summer 2012 **AAPT Invited Paper, Philadelphia, *Learning Critical Thinking Through Astronomy***.
- 2012–2011 **NCS-AAPT, *vice president***.
- 2011–2012 **NCS-AAPT, *president***.
- 2012–2013 **NCS-AAPT, *past president***.
- 2012–2013 **AAPT Committee on Space Science and Astronomy, *vice chair***.
- 2013–2014 **AAPT Committee on Space Science and Astronomy, *chair***.
- 2014–2015 **AAPT Committee on Physics in Two-Year Colleges, *member***.
- 2014–present **AAPT Committee on Space Science and Astronomy, *friend of committee***.

- 2014-present **Editor of AstroNotes column in The Physics Teacher.**
- 2015-2016 **AAPT Committee on Physics in Two-Year Colleges, vice chair.**
- 2016-2017 **AAPT Committee on Physics in Two-Year Colleges, chair.**
- 2017-present **AAPT Committee on Physics in Two-Year Colleges, friend of committee.**
- Winter 2018 **AAPT Workshop, San Diego, Introduction to L<sup>A</sup>T<sub>E</sub>X for Teachers and Students.**
- Winter 2018 **AAPT Invited Session Presider, San Diego, Highlights from the TPT AstroNotes Column.**
- Spring 2018 **NCS-AAPT Contributed Paper, Edgcombe CC, Bringing L<sup>A</sup>T<sub>E</sub>X into Introductory Calculus-Based Physics.**
- Spring 2018 **Invited Talk, NC Matter & Interactions User Group, High Point University, Bringing L<sup>A</sup>T<sub>E</sub>X into Introductory Calculus-Based Physics.**
- Summer 2018 **AAPT Contributed Paper, Washintgon, D. C., Bringing L<sup>A</sup>T<sub>E</sub>X into Introductory Calculus-based Physics for Homework and Computation.**

---

## Awards and Honors

- Spring 2015 **Named AAPT Fellow.**
- Summer 2014 **AAPT Homer L. Dodge Citation for Distinguished Service to AAPT.**
- Fall 2006 **NCS-AAPT Meeting, Best Pedagogical Paper.**
- Spring 1999 **NCS-AAPT Meeting, Best Pedagogical Paper.**

## Promotional Bio

**Joe Heafner, AAPT Fellow, began providing learning environments for astronomy and physics at Catawba Valley Community College in 1992. His approach to teaching emphasizes the model of critical thinking developed by Richard Paul and Linda Elder and the reasoning behind science, not just blind use of equations. He was the first instructor in North Carolina to adopt *Matter & Interactions*, a reformed approach to presenting introductory calculus-based physics that incorporates computer modeling, among other things. His introductory astronomy course has a flavor unlike that at any other institution. He just finished writing his fourth book, which is an inquiry-based introductory astronomy textbook.**
